## The Resort at Singer Island Private Residences #1951

Perched on the 19th floor of the prestigious Resort at Singer Island, this exquisite three-bedroom oceanfront residence delivers intoxicating, park-protected 180-degree views of the Atlantic Ocean and the Intracoastal Waterway. Ten-foot ceilings, expansive terraces, and refined designer finishes create effortless coastal elegance. Inside, marble and warm wood flooring, custom closets, electric window treatments, extra storage and hand-crafted stone balcony details elevate daily living. A flexible third bedroom opens to create an ideal office or studio, while two premium side-by-side parking spaces right by the elevator and an air conditioned storage cage complete this truly remarkable retreat.

Residents enjoy a dedicated amenities level with a movie theater, billiards, residents-only lounges, outdoor recreation areas with built-in grilling stations and your very own private wine locker in the fine dining restaurant. In the private tower, just four residences per floor enhance the resort, turnkey, lock-and-leave lifestyle with security and on-site and even in-suite dining options.

The chef's kitchen blends form and function with Viking stainless-steel appliances, an electric range (that can also be converted to gas), dual ovens, and a wine refrigerator, all supported by a water filtration system. From sunrise over the ocean to golden sunsets across Lake Worth Lagoon, the panorama stretches north to the iconic Jupiter Lighthouse and even Cape Canaveral rocket launches!
