The Most Important Decision in Real Estate is Selecting the Right Realtor®

Like golf, the most important move in real estate is your next one, and your next one should be selecting Broker Dermot OBrien of Islands Realty as your Realtor. Dermot has extensive general real estate and on-site developer sales experience, selling more than \$115 million worth of residential real estate on Singer Island and the Greater Palm Beaches over the last seven years.

FOR BUYERS

For clients searching for their dream home in a golf community or on or near the water, Dermot's comprehensive understanding of the local market from Hobe Sound to West Palm Beach is unparalleled. He has extensive experience with Palm Beach Gardens and Jupiter country club communities in addition to single family homes on Palm Beach and Jupiter Island.

FOR SELLERS

To sell a home it takes using the many resources available to Realtors, and Dermot invests heavily in those tools.
